

Government and Community Affairs Coordinator

### **Overview**

The Government and Community Affairs Coordinator is responsible for supporting Espousal Strategies' Government Relations and Community Engagement teams. Working primarily with the Government Relations team, the coordinator will provide research, briefing preparation, presentation drafting and editing, data-analysis, drafting plans, task coordination, and logistical/scheduling support to these teams across assigned clients and projects.

The role will require regular travel between Portland OR, and Vancouver, WA. The role will require some travel to Salem, OR, and evening and weekend duties when assigned.

**Position reports to:** Director of Government Relations **Classification:** Full-time Exempt

## Primary Responsibilities:

**Government Relations** 

- Working with the Government Relations Manager, Senior Associate, and Director to develop and deliver government relations strategies designed to influence and persuade elected officials.
- Building and maintaining relationships with elected officials and their staff at the local, regional, state, and federal level.
- Drafting factsheets, one-pagers, presentations and talking points on complex policy and political issues.
- Analyzing data and producing reports that combine qualitative and quantitative methods to produce compelling narratives.
- Preparing and editing presentations with a special emphasis on culturally appropriate and accessible communication.
- Developing, organizing and facilitating discussion groups, workshops, trainings, roundtables, and other events (virtually or in person as appropriate), including scheduling, technical support, note-taking and follow-up engagement with attendees.
- Providing scheduling and administrative support for the Government Relations team.
- Maintaining an accurate and up-to-date database of constituents, volunteers, influential community members, and partner organizations.
- Supporting in meetings with elected officials, government agencies, and advocacy groups

## Community Engagement and Equity

- Project managing the development of communications collateral including presentations, flyers, letters, and emails with a special emphasis on culturally appropriate and accessible communication.
- Establishing and maintaining partnerships and meaningful relationships with
  organizations throughout the region, to include faith-based, BIPOC specific, and
  community organizations. Represent the Espousal Strategies at group meetings and
  public & private events.
- Representing Espousal Strategies in a positive and professional manner to interested parties, clients, peers, public officials, community groups, and other business partners.

# Supervisory Responsibilities:

None

# Other Responsibilities:

• Other Duties as Assigned

## Knowledge & Skills:

- Excellent written & verbal communication skills.
- Attention to detail and ability to proof text and visual communications materials.
- Demonstrated ability to effectively manage multiple priorities.
- Ability to work autonomously and be self-directed.
- Ability to communicate in a professional and respectful manner and build relationships with clients, co-workers, stakeholders, community members, public officials, and other business partners.
- Positive attitude in the office regarding work assignments, teamwork, and company mission.
- Proficiency in standard office procedures, software, and communications technology.
- Excellent understanding of DEI principles and best practices. The ability to research and stay abreast of new industry developments, trends, and best practices.
- Passion for the principles of diversity, equity, and inclusion, and the mission of Espousal Strategies.
- Ability to effectively use database, social media, and other tools for targeted outreach and engagement.
- Excellent presentation skills and the ability to communicate effectively with a wide variety of populations, in a persuasive and collaborative manner.
- Excellent community and partnership feedback analysis skills, with the ability to accurately review and synthesize feedback and data. The ability to disseminate information into succinct and meaningful reports. The ability to collect accurate data from survey groups.
- Excellent organizational, time management, and project management skills.
- Ability to create, monitor, and adhere to a fiscally responsible budget.
